

Presentation Guide

10DVC - Presentation of Designer work

Situation / Āhuatanga:

Designers around the world need to generate ideas. As young designers, it is important that we learn about successful designers, and what makes them successful.

From the given list of designers, you need to choose one that you like and create a presentation project on their work.

SPECIFICATIONS

This presentation must be done on google slides, and requires to following:

- 1x A3 presentation page designer Info
- 1x A3 presentation page designer Examples Analysis

**So now you
have researched
a designer!**

Time to present

DESIGNER RESEARCH

Your task:

To create a presentation of your Hut Design.

You will be learning while you practice presentation techniques. There are 4 elements you will focus on:

- Font choice
- Colour choice
- Alignment + Layout
- Imagery

HUNDERTWASSER

by Miss Rouse

8 July 2016

FONT CHOICE

Friedensreich Regentag Dunkelbunt Hundertwasser

(December 15, 1928 – February 19, 2000)

Hundertwasser was an [Austrian](#) artist^[1] and architect who worked also in the field of environmental protection. His real name being Stowasser, his pseudonym **Hundertwasser** (by which he is known worldwide) comes from *sto* in Slavic languages, meaning "hundred".
